# EVERYWHERE

Every four years senior high students from Mennonite Brethren churches across the nation gather for meaningful worship, exciting Bible study and challenging ministry. The conference is open to all ninth through twelfth grade students.

## GUEST SPEAKER

### Roy Crowne

Roy is the national director of Youth for Christ in Great Britain. He writes, preaches and teaches on issues of youth, ministry and culture around the world. Roy will challenge us through four conference sessions:

### GOD IS EVERYWHERE

Have you ever stopped to think that God is present and doing great things everywhere?

### WE'RE FROM EVERYWHERE

We are urban, suburban and rural. We are African-American, Hispanic, Slavic, Anglo and more. We are from the Southern, Central, L.A.M.B., North Carolina and Pacific districts. We are the farmers, students, worship leaders, mentors and dreamers of the next generation of Mennonite Brethren.

### THE NEED IS EVERYWHERE

We will hear about the need for Christ around the world and focus on God's work in Los Angeles.

### WE'RE GOING EVERYWHERE

We will be commissioned through a special communion service to live out God's call wherever we go.

## MINISTRY TRACKS

New to Anaheim 07, Ministry Tracks take the place of seminars. On Sunday, engage in a topic to help serve the church, including worship leading, technology, the arts, sports, leadership and teaching. On Monday, board buses to serve a city church and learn from local leaders. Choose your track when you register.

### WORSHIP

Worship will be the highlight of Anaheim 07, led by groups from Tabor College and Fresno Pacific University. Be challenged, inspired and energized by the contemporary style and message!

### LATE NIGHT

The excitement doesn't stop after the evening meeting. There will be numerous options for enjoying the late night with your friends, including venues for comedy, music and worship, drama and an open mic. You can also hang out in the lounge or take a walk on the contemplative prayer path.
